3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor and forwarded in sealed covers to the Executive Engineer before the 31st January 1893. The work should be completed by the end of January 1896.

4. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. No tenders will be received unless accompanied by a deposit of Rs. 500 as earnest money.

6. Within 8 days of the acceptance of the tender, the contractor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries respecting the acceptance or rejection of a tendor will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicants in due course.

NOTIFICATION.

The 14th December 1892.

It is hereby notified for public information that the superfluous jewellery, &c., of the temples situated in the Taluks of Heggaddevankote, Nanjangud, Chamrajnagar and T. Narsipur, valued in the aggregate at Rs. 56,617—0—7 as per detailed Kanarese list hereto attached, will be sold by public auction at Mysore in the Office of the Deputy Commissioner on the 18th January 1893 and the following days.

2. The sale will commence at 11 A. M. daily and the jewels, &c., one by one will be knocked down to the highest bidder for ready cash. The purchaser will not be permitted to remove any part of the property until he has paid for the same in full.

3. The purchaser shall pay 15 per cent of the purchase money immediately the lot is knocked down to him, and the balance within 24 hours thereafter. In the event of failure in either case, the lot will be resold at the risk of the defaulting purchaser who will however not be allowed to participate in the profits, if any.

4. The Deputy Commissioner reserves to himself the right to stop a lot being knocked down, should he think that he is not realizing a fair price, or for any other reason.
